

## Corinthian Sailing Club By-laws and Policy

### Kayak Storage Limited to Davits Only

Please note that the CSC Board voted in it's February 2006 meeting to limit the storage of kayaks to davit space only. In the past, club members had been allowed to store kayaks in the board boat and dinghy pad areas. However, high demand over the last two years has put a premium on that space and the growth of several new fleets to the Club is increasing the pressure for sail boat storage. Additionally, some members had complained that storing a kayak on top of another boat circumvents our rental policies by allowing a member to store 2 or 3 boats for the price of one. As CSC is founded upon the principals of promoting the sport of sailing, the Board voted unanimously to ban kayaks from club owned property (such as the board boat pads, dinghy pad areas, walkways, etc.). This policy will be put into effect with the 2006 pad rental contracts. Members currently storing kayaks in these areas will be contacted by the Davit Registrar and will be asked to remove them by April 22nd, 2006.

### Annual Service Requirement

In accordance with the By-laws Article II Section 1(d), the board has set the annual service requirement at 8 hours and fee at \$100.

### Late Fee

The board as established a late fee of \$100.00 to be assessed to every member who has not remitted her/his membership dues by April 1 of each year in accordance with By-Laws Article III, Section 2.
